

Drug Screening Results

Status	Explanation	Action Needed
Order Created	This is a placeholder for the drug test results.	None
Negative	The donor's drug test is verified as Negative.	None
Negative Dilute	The donor's drug test is verified as Negative. The sample provided by the donor was diluted.	None
Positive	The donor's drug test is verified as Positive for one or more drugs tested.	The candidate is no longer eligible under the terms of the agreement until they complete the Substance Abuse Program. Additional information can be found on MyGroundBiz. Search by: SAP
Cancelled	There is a reason the order was cancelled that can be found on the result.	Reach out to the regional qualifications email.
Order Expired/Donor No Show	The candidate did not report to test in the allotted timeframe.	Place a Drug Screen Only Package for the candidate to complete testing. Note: for Linehaul candidates the package must be DOT Drug Screen Package
